**Proposed by the Finnish Table Tennis Association**

*To implement a new System of Play at the World Team Championships 2010*

In short, it is suggested that, after the round robin competition and after the no. 1 and 2 teams have been seeded and the no. 3 and 4 teams have been drawn as until now, the rest of the teams have pre-determined places.

The intention of this proposal is

- to minimize the number of replays and
- to simplify the draw to one only, to that between the 3<sup>rd</sup> and the 4<sup>th</sup> team in each play-off.

Proposed Structure and Playing System:

1. STRUCTURE

- 1.1 "Division" System with 24 Teams in each of the top 3 Divisions and the rest of the teams to form the 4th Division.
- 1.2 The 1st Division is also the Championship Division.
- 1.3 In each of the top 3 Divisions there will be 4 Groups of 6 Teams.
- 1.4 The 4th Division will be comprised of all the rest of the teams divided in groups after the final entry is known, to maximize the number of matches played by each team.

2. PLAYING SYSTEM

- 2.1 In each of the top 3 Divisions the playing system will be identical.
- 2.2 Each group of 6 teams shall play a complete round robin competition (5 matches per team).
- 2.3 SPECIAL CONSIDERATION: The order of play and the scheduling of the matches must be prepared in such a way as to avoid, whenever possible, the possibility of "pre-determining" results. All final round matches, as feasibly possible, must be significant for each competing team.
- 2.4 Following the complete round robin in each group, the winners of each group (4 teams) will move directly into the Quarter Finals round. They have a bye in the Round of 16 and seeded accordingly (Winner of Group "A" seeded 1st (position 1) winner of Group "B" seeded 2nd (position 2), winners of Groups "C" and "D" drawn in positions 3/4.

**2.5 The first Division**

- 2.5.1 The teams placing 2nd and 3rd in group A will come in positions 5 and 9 respectively in the bottom half. Similarly, teams placing 2nd and 3rd in group B will come in positions 5 and 9 respectively in the top half into the Round of 16 first.**

**NO DECISION**  
as proposed principles are already covered by the new system of play getting into effect from 2010 on

<p style="text-align: center;"><b>18</b> <i>(part 2)</i></p>	<p><b>2.5.2 The teams placing 2nd and 3rd in group C will come in positions 5 and 9 respectively to the opposite half of team C1 into the Round of 16 next.</b></p> <p><b>2.5.3 The teams placing 2nd and 3rd in group D will come in positions 5 and 9 respectively to the opposite half of team D1 into the Round of 16 next.</b></p> <p>2.6 The teams placing 4th, 5th and 6th in the groups in the first Division (12 teams) will play-off for positions 13 to 24 with 4 “byes” to each of the teams placing 4th.</p> <p><b>2.7 In the 2nd and 3rd Division all teams will be seeded and placed in the draw as above according to the placing in the round robin competition.</b></p> <p>2.8 The play-off rounds (final draws) will be played according to the “progressive knock-out” system to determine all the final positions in order from 1 to 12 and from 13 to 24. (2nd Division: 25-36 and 37-48, 3rd Division: 49-60 and 61-72), except that there shall be no match for 3rd and 4th.</p> <p>2.9 In the 4th Division, depending on the total number of entered teams, the teams shall be divided in groups (number of groups to be determined after the closing date for entry) in order to provide sufficient number of matches to each team. The teams would play first in groups and then a progressive knock-out system to determine all the positions. Every effort will be made to provide as many matches as possible per team.</p> <p>2.10 The World Champion team could play a maximum of 9 matches and a minimum of 8 matches.</p> <p>2.11 In 1st. Division all teams are guaranteed to play at least 7 matches, but most teams will play 8 or 9 matches. In the 2nd and 3rd Divisions most teams will play 9 matches, only teams with a “Bye” in round of 16 may have only 8 matches to play.</p> <p>2.12 No. 1 overall (winner of 1st Division) shall be World Champion.</p>	
<p style="text-align: center;"><b>19</b></p>	<p><b><i>Proposed by the Chinese Table Tennis Association</i></b></p> <p><i>To modify Technical Leaflet T9 “Directives for Racket Controls”</i></p> <p>From 1 July 2009 ITTF shall conduct <del>only</del> after-the-match racket tests <b>to those players whose rackets fail in the before-the-match test</b>, with punitive consequences for failed tests.</p>	<p style="text-align: center;"><b>ACCEPTED</b></p>
