Dear table tennis friends!

The organizing committee of the 10th Anniversary Table Tennis Sports Science Congress closes his work with editing the Proceedings book of the congress.

As there was great interest for this Proceedings book, we are now offering you this book. The Proceedings book is available as a book and in a DVD form. In the book you will find all the papers presented at the congress. On the DVD you will find beside all the papers also all the oral presentations and all the posters.

We are also offer you the Abstract book (as CD). If you are interested in any of those do not hesitate to order it.

With compliments, Miran Kondric, PhD
