2. SANCTIONED EVENTS.....	5

5. RANKING PROTECTION	15
6. TRANSITION PERIOD	16
7. CONTACT AND REGULATION	17

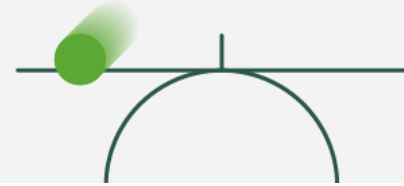

1. BASIC PRINCIPLES

- 1.1 The ITTF World Para Ranking is the objective merit-based method used for entries and seeding at Para events.
- 1.2 The ITTF World Para Ranking is composed of the following lists:
 - Men's Singles
 - Women's Singles
 - Men's Doubles Pairs
 - Women's Doubles Pairs
 - Mixed Doubles Pairs
 - Men's Doubles Individuals
 - Women's Doubles Individuals
 - Mixed Doubles Individuals
- 1.3 Each of the ranking lists is published as a unified list for the following three categories:
 - Wheelchair (classes 1 to 5)
 - Standing (classes 6 to 10)
 - Intellectual Impairment (class 11)
- 1.4 Each of the three ranking categories shall have filters by age for the following age groups:
 - Senior
 - Under 23
- 1.5 Ranking lists are published on a weekly basis.
- 1.6 Ranking points are awarded at sanctioned events.
- 1.7 Ranking points have a validity of one (1) year, expiring next year on the same week on which they were included in the rankings.
- 1.8 The ranking of a player or pair is composed of the sum of points of the six (6) non-expired results with the greatest number of points, with the following restrictions:
 - 1.8.1 A maximum of one (1) result counting from events with entries restricted to a certain group of Member Associations (i.e., Continental Championships, Continental Games).
 - 1.8.2 A maximum of two (2) results counting from Under 23 events.
- 1.9 Players and pairs are ranked when having non-expired points.

- 1.10 Each ranking list consists of one or more players or pairs sorted by descending number of points. In case of ties, for presentation, qualification and/or seeding at events, players and pairs are sorted by:
- The player or pair with the best ranking in the previous week.
 - If still tied, the player or pair with the fewest results.
 - If still tied, the youngest player or pair (combined age of the pair members).
 - If still tied, randomly sorted by the ranking calculation software.
- 1.11 Players have the right to request being removed from the rankings by submitting a retirement letter to rankings@ittf.com, following the template at <https://ittf.com/rankings> and signed together by their Member Association and themselves. Coming back to competition after that implies starting unranked with no ranking points.

2. SANCTIONED EVENTS

2.1 The following events are automatically sanctioned in the ITTF World Para Ranking:

- Paralympic Games
- ITTF World Para Table Tennis Championships
- ITTF Elite
- ITTF Challenger
- ITTF Future
- Continental Championships
- Continental Games

2.2 The inclusion in the rankings of events listed in point 2.1 that are not organized by the ITTF is subject to abiding to the rules established in the *“ITTF Manual for Inclusion of Third-Party Para Events”*, available at <https://ittf.com/rankings>.

2.3 Multi-Sport Games events not listed in point 2.1 may request ranking inclusion by writing to rankings@ittf.com. The inclusion request will be evaluated in a case-by-case basis by the ITTF World Ranking Working Group, and will be as well subject to point 2.2.

2.4 Events will be included in the rankings in the next published ranking list after the event, if it ends at least 48 hours before the publication time. Otherwise, the event will be included in the following week.

3. POINTS

- 3.1 Ranking points are awarded to players and pairs for their final position at events.
- 3.2 Players or pairs having a bye in the Main Draw, and then losing in the next round, shall be awarded points for losing in the round they had the bye.
- 3.3 Players who are reclassified within the same category (wheelchair or standing) after obtaining ranking points competing at a lower class than the newly assigned class, shall have their points converted in the next published ranking list, by multiplying the points of their previous results obtained in an event of a different class by the following conversion factors:

Points obtained at event class	New class			
	S2 / S7	S3 / S8	S9	S4 / S5 / S10
S1 / S6	0.85	0.65	0.55	0.5
S2 / S7	-	0.80	0.70	0.65
S3 / S8	-	-	0.90	0.85
S9	-	-	-	0.95

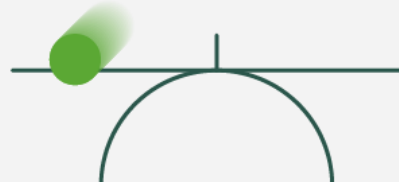

Points obtained at event class	New class	
	D8 / D10 / D18 / D20 / D22	
D4 / D5 / D14	0.6	

Points obtained at event class	New class	
	XD7 / XD17	XD10 / XD20 / XD22
XD4 / XD14	0.75	0.60
XD7 / XD17	-	0.85

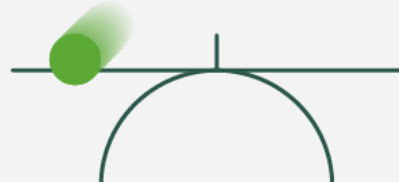

- 3.4 Players who are reclassified to a different category (wheelchair, standing or intellectual impairment) after obtaining ranking points competing at a different category shall become unranked and start with zero (0) ranking points.
- 3.5 Points to be awarded depending on the event category, class and format as per the following tables, where:
- **MD**: Main Draw of a certain number of players (4, 8, 16 or 32).
 - **Gr 4, Gr 5**: a single group of 4 or 5 players, with points for the position in the group as winner (W), 2nd, 3rd, 4th and Gr. Last.
 - **Q. Gr**: qualifying group of 3 or 4 players, with points for 2nd Last and Last positions for the players not progressing to the Main Draw.

4. INCIDENTS AND PENALTIES

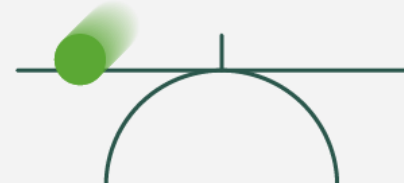

- 4.1 A penalty is a result of a player or pair at a sanctioned event, awarding zero (0) points, with a validity of one (1) year and always included in the best player or pair results as per point 1.8. Penalties shall only replace other non-zero results when the player or pair has reached the maximum number of results counting for the ranking.
- 4.2 Penalties are awarded by the ITTF Rankings department, based on the report filed by the ITTF Competition Manager on-site, evaluating medical reports or proof provided by the affected players and/or their respective Member Associations. The decision shall be made interpreting the regulations if needed, applying fairness and equality principles.
- 4.3 Penalties are applied on the following lists depending on the competition:
- 4.3.1 Singles: Singles ranking list.
 - 4.3.2 Doubles / Mixed Doubles: Doubles / Mixed Doubles Pairs ranking list, and Doubles / Mixed Doubles Individuals ranking list for each of the players deemed responsible for the penalty reason.
- 4.4 A penalty shall be waived for every five (5) ITTF events the player or pair participates in after the incident that caused the penalty.
- 4.5 Players and pairs to start with four (4) cancellation credits, with credits deducted when they cancel entries after the entries' cancellation deadline, based on the event category as per the table below, and recovered after one (1) year, on the same week the cancelled event expires from the rankings.
