2019 ITTF World Tour– Sports Presentation

As our sport grows bigger and bigger in terms of sponsorship and spectatorship, it is important for the ITTF to improve the sport presentation in order to continue to attract the interest of people around the world in table tennis. Sport presentation has shown to be able to improve the overall presentation of the event and impress both live and TV spectators.

This following document will act as a guide to all organizing committees of the ITTF World Tour, on the important elements of sports presentation and the implementation of the elements.

There must be a dedicated Sport Presentation Manager who will be liaising with TV and the ITTF both onsite and prior to the event to ensure that the sport presentation will run smoothly.

There are 6 key elements for sports presentations: announcements, music, video, lights, performance & interactive activities, and march-in.

1. Announcements

1.1 Personnel Required:

a. 1-2 Presenter (on-field)

The role of the presenter is to encourage spectator participation during dead time and also for TV presentation.

As the presenter also acts as an anchor for TV presentation, the presenter should have some experience presenting in front of live television. Live segments include interviews with players, coordinating crowd interaction by having quizzes and games during breaks.

During dead time, the presenter should play the role in educating the audience by feeding them with entertaining information, giving them an insight of the sport.

A wireless handheld microphone should be available for the presenter.

b. 1-2 Announcer

To provide spectators with key sports-specific information (eg. Format of play, rules etc.), and also remind the spectators of housekeeping information. The announcer will also be in charge of the announcements during the award ceremony, march-in ceremony.

Music should be played appropriately to the occasion and volume of music should also be adjusted accordingly. It is important that the sound system is being checked at least an hour before every new session starts, to ensure good quality sound.

4. Lights

Lights is an important element of sport presentation as it is able to enhance the atmosphere and also the spectators live experience in the stadium. The moment gates are opened to the spectators, lights of the stadium should be dimly lighted.

According to the directives of the World Tour, the lights of the stadium must at least be a minimum of 1500lux.

To enhance the experience of TV audiences, it is **mandatory for Platinum events** to provide dedicated lighting for one show court on the last 2 days of the tournament.

Below are some examples of using a lighting rig to only light up the playing arena of 1 show court. If the stadium is unable to provide lights specifically for the playing arena, it is advised to install a lighting rig or find other possible solutions. Dimensions of the lighting rig should be bigger than the dimensions of the playing arena for the entire arena to be well and evenly lit.

2019 ITTF WORLD TOUR

4.1 Equipment required:

4.1.1 5R moving beams

OC are advised to use 5R Moving beams for effect lighting in the stadium

4.1.2 Smoke/haze machine

Haze machine is recommended to create dramatic effect and build up atmosphere in the stadium, to be used during player entrance into the playing arena / prize presentation etc.

7. March-in

7.1 Players

On days of qualifications and the early rounds of the main draw, a standard march in procedure is required for every 1st match of the session.

The march-in procedure will start 5 minutes before the official match time, which means that players have to report and be ready at the call area 10 minutes before the match starts.

The line-up will be in such order: the umpire of the match will lead the line, followed by the players, and the assistant umpire.

Here is a simple rundown of how the march-in procedure will commence

2019 ITTF WORLD TOUR

When there is only one show court left, a different march-in procedure will be used. The umpires and players will enter the arena separately.

5 minutes before match time, the umpires will march into the arena and stand on the breadth of the court. Below is an example of the umpire's position after entering the arena. NO music will be played when the umpires make their way into the court.

Players will stand to the side of the main umpire upon entering the court. Once both pairs/players are in position, umpires will proceed with the coin toss.

*U: Main umpire *AU: Assistant Umpire

**Position of main umpire and assistant umpire is dependent on the layout of the umpire tables*

At the same time, the players must already be on standby position to make their entrance into the court.

2019 ITTF WORLD TOUR

Below is a timeline of the march-in procedure when matches will be played in only one show court.

Note: A Player March-in video will be played on the for the Singles Finals matches. Sample video of Men's Singles Final march-in video at the 2015 World Table Tennis Championships: <https://www.dropbox.com/sh/1n0szxz3ak0chjw/AAB97QUwdjJKvSlGhZsVN5a1a?dl=0>

Sponsorship LED Boards Usage during Match

During the match, the Sponsorship LED board used should be the single-coloured logo version (gray logos). The sponsor's logos should only be changed between points, not when the ball is still in play. Example:

Sponsorship LED Boards Usage between Match

Between the matches, if the LED boards are not used for other sport presentation purposes, the sponsor's logos in full colour (white background) should be used, showing all sponsors. Example:

2019 ITTF WORLD TOUR

Sponsorship LED Board Logo Sequence:

It is recommended that the logo sequence follow the standard 40-a-boards drawings. It is possible to shorten the number of sequences (eg. Instead of 40 there are only 20), if the percentage allocated to each sponsor is as per the standard 40-a-boards drawings. If a sponsor has 6 a-boards on the 40-a-boards drawings, it should have 15% of the total sequence. The sequence will repeatedly be looped.

The logo sequence needs to be submitted to the ITTF for approval at least 3 weeks before the event. Please submit the logo sequence in excel with this template: https://www.dropbox.com/sh/ikyq7l4c7g9t0if/AAA_ZQmkWEpOEtXGq5E0Egfma?dl=0
